

Waccamaw Animal Rescue Mission needs YOUR help!

Waccamaw Animal Rescue Mission is partnering with Kris Rotonda from Jordan's Way for our biggest fundraiser yet! We are trying to reach a goal of \$15,000, which would allow us to continue caring for the animals currently at our rescue as well as make some necessary renovations to be able to help more animals in need! We are seeking donations to help us reach this goal & to be used as matching donations during our LIVE Facebook Fundraiser on Sunday, July 12th from 6-9pm.

Match donations will be used to help encourage more donors to help meet that amount, doubling our efforts to raise funds! For example, if you are able to provide a match donation of \$500, then during the Live event, ALL donations up to \$500 will be matched by YOUR company! This is a unique opportunity for your business to pay it forward and receive the best kind of PR all at once! Your company will receive recognition on Facebook Live, being shown & shouted out to not only our local community, but an international following of almost 1 million followers of Jordan's Way!

We are also looking for volunteers to participate in our LIVE Fundraiser! I promise, it's fun like you've never had before! Jordan's Way fundraisers are an exciting combination of a Jerry Lewis Telethon mixed with a Nickelodeon episode. Think: fun gimmicks and stunts like pie throwing, tortilla slaps, ice buckets, food challenges, and, of course, slime! They have also influenced thousands of adoptions by shedding a much needed happy light on rescue animals that often get overlooked and in our care for extended periods of time. It's not just about raising much needed funds for their care, but being able to show their true personality with people they know & trust; sometimes they just need to be given a chance!

Anything helps, & if you're up for it, come on down to participate in the fun! Send us an email for details and directions! There are so many ways to help, even if it's just sharing our donation link (included below) on your social media platforms to help us reach a bigger audience! We support the animals in YOUR community, & now's your chance to help support US!!
